## Landslips

All Landslips sites are now fully approved with QRA and with the development of remedial designs in final stages preparations of final scope for the procurement process continues.

## Stakeholder Engagement and Safety.

SHEPHERD and contractors continue to advise and engage with stakeholders impacted by planned works and assist in close out of Council Customer requests as required.

Safety briefings, toolbox talks and the repeated distribution of Panama TR4 and Melioidosis awareness alerts have been conducted with all contractors and project personnel.
