

Pasifika Celebration 2026 – Warrina Lakes

Cassowary Coast Regional Council is proud to be delivering the Pasifika Celebration 2026, a community event celebrating the rich cultures, traditions, and contributions of Pacific communities across the Cassowary Coast region.

The event will be held at Warrina Lakes on Saturday 20 June 2026 and will feature cultural performances, music, food stalls, community information displays, and family-friendly activities designed to foster social connection, inclusion, and community pride.

As part of delivering this important community event, Council is seeking support from local businesses and organisations through donations, prizes, giveaways, or in-kind contributions. All supporters and donors will be acknowledged through event promotions and community communications where possible.

Should you wish to make a contribution to support the Pasifika Celebration 2026, please reply with details of your pledge and provide a logo accordingly. Contributions may include raffle prizes, merchandise, vouchers, equipment support, or financial assistance towards event delivery.

If you are able and willing to participate, we would also be pleased to involve you in the event proceedings and acknowledge your support on the day.

We understand that many organisations continue to balance competing priorities, and by no means should you feel obliged. Any level of support would be greatly appreciated and contribute to the success of this important community celebration.
