To All ABGC Commercial Banana Grower Members

Under Clause 7.4 of the Australian Banana Growers' Council Inc. (ABGC) Rules, the Secretary is to call for nominations for Directors when the notice of the Annual General Meeting (AGM) is advised. The AGM is to be held on Wednesday 11 November 2026 at 5.30pm at the Tully Civic Centre, 38-40 Bryant Street Tully QLD 4854.

In accordance with the Rules, Directors are required to retire by rotation and are entitled to stand for re-election at the annual general meeting.

There will be two Director positions vacant as at the AGM:

1. Queensland Director No.5: Mr Andrew Serra
2. WA/NT Director: Mr Chris Collins

Should the number of nominations outnumber the available positions, a ballot will be held, relevant State or Territory Members will be advised.

To be eligible as a Queensland, WA/NT or NSW Director, the nominee must be a Commercial Banana Grower Member from that State, i.e. a member who owns or operates a commercial banana growing business and has been remitting the ABGC Membership Fees for at least 12 months prior to nomination.

A grower wishing to nominate an eligible grower member for election as an ABGC Director must also be a Commercial Banana Grower Member who is from the same State/Territory. A copy of the Nomination form is included in this Notice.

Nominations must be received in writing no later than 5pm (AEST) on 14 October 2026.

Any queries please contact me or a current Director.

Yours sincerely
